

# Eliminator Deodoriser & Stain Remover

A multifunctional, specially selected blend of non-toxic natural microbes combined with surfactants and perfume to digest organic matter, eliminating unpleasant odours at source. Use as an effective cleaner and reodouriser on most surfaces where protein-based spills such as vomit, faeces, urine, eggs, milk, wine, meat, etc. are encountered

- Ready to use
- Uses renewable enzyme sources
- Pleasant perfume

## PRODUCT BENEFITS

- Effective on most surfaces
- Can be used on a variety of malodour sources
- Removes need for hazardous chemicals
- Improves washroom/bedroom environment
- Multifunctional
- Cost-effective

## APPLICATION

Liberal apply to affected area and leave to work for extended period. No rinsing required. Do not force dry.

Repeat application daily or as necessary in areas where soiling is repeated such as urinals, waste food bins, rubbish chutes, etc.
