\*for more information please visit [www.wmprof.com](http://www.wmprof.com)

### Intensive use of renewable resources – continuous increase of the reutilisation score

- Production under extensive use of renewable raw materials and energy using to 100% hydroelectric, solar and geothermic power
- Production widely independent of crude oil: 39% of organic carbon processed in TANEX performa Quick&Easy originates from renewable plant resources which enables a production that is widely independent of crude oil
- Active water stewardship maintaining an own fresh and waste water treatment

### Full transparency - complete ingredient declaration

<5% anionic surfactants (sodium alkyl sulfate), <5% non-ionic surfactants (sugar surfactants), perfumes  
 Specific ingredients: ecofriendly complexing agents based on amino acid, glycol ether, glycerol ketals, alkanolamine, sodium citrate, food colours (E 131, E 104)

### Traditional German quality - driving your durable business development

- More than 25 years pioneer in sustainable product development
- Smart hygiene solutions ensuring profitable growth
- Trusted brand

### Professional user training and on-site support for Sustainable Hygiene Solutions

- Comprehensive knowledge transfer through qualified cleaning consultants
- Customized hygiene plans and cleaning recommendations optimizing your business and cleaning procedures
- Increased service value and strengthened company reputation

# TANEX performa QUICK & EASY

## **green-Effective® Power Cleaner**

- Powerful ■ Low residues ■ Economic

### Product profile

- As part of the Quick & Easy portable dosing system, the highly concentrated TANEX performa Quick & Easy combines outstanding performance with minimum efforts and low cost in use.
- Being CLP-free in application, it offers maximum user-safety.
- Its powerful formulation acts quickly and shows excellent stain removal properties for all types of adhesive soilings.
- The foaming power cleaner convinces with low residue formation and keeps surfaces' original appearance while leaving a pleasant scent.
- Developed with solvents based on renewable sources, this maintenance cleaner is the perfect choice for sustainable and powerful cleaning and takes on the responsibility for future generations.

### Area of application

- TANEX performa Quick & Easy is ideally suitable for use on all plastics and plastic-coated surfaces indoor and outdoor. Best suited for cleaning of tables, doors, cabinets, shelves and wall paneling.
- Do not use this product on unsealed wood, painted materials and acrylic glass.
- For our Quick & Easy system we recommend to change water after 24 hours.

### Product safety, storage and environmental instructions

**Safety:** For professional use only. Keep away from children. Do not mix with other products. Test material compatibility before use. For further information, see Safety Data Sheet.

**Storage:** Store at room temperature in the original container.

**Environmental:** Only give completely emptied packaging in the recommended waste container. Proper dosing saves costs and minimizes environmental impact. Compared to other products only a small amount is required.

#### Application and Dosing

Dose in relation to application and degree of soil. Follow below instructions.

predefined dosing

**Surface cleaning:** Spray directly or onto a suitable cloth. Allow short action time and wipe with clean cloth.

bottle change

**Concentrate bottle change** Remove cartridge and spray 2-3 times to avoid product residues.
