

OCELOT 400

Compact, High-Speed Oscillating Machine

The Ocelot 400 is a high speed oscillating machine which effortlessly achieves outstanding results with reduced chemical usage.

Unrivalled mechanical cleaning operation through crosswise oscillation creating 3000 rounds of 7mm cleaning action per minute.

The Ocelot features a compact design whilst maintaining a 400mm cleaning pad. This makes the Ocelot 400 lightweight and manoeuvrable enough to clean in tight spaces.

The combination of a unique high-speed orbital motion and a large range of cleaning pads means any user can clean a wide range of hard floor types including: Altro and other safety flooring, Karndean, Amtico, vinyl's, linoleum, PVC, rubber hardwood, Marble, Resin, Quarry Tiles Granwood, Porcelain Paving and ceramic flooring.

Key Benefits

Superior Results

3000 rounds of 7mm cleaning action per minute creates superior results on a range of hard floors.

Edge-to-edge Cleaning

unlike circular rotary machines, The Ocelot's rectangular drive board allows edge-to-edge cleaning.

Reduced Chemical Use

The efficacy of the mechanical action, combined with the use of abrasive pads, minimizes the use of detergents

Fast Charge & Long Run times

The Ocelot has a fast charge battery, fully charged in just 1 hr. With a runtime of 90 minutes+

400mm Pads - Suitable for the Ocelot 400

Red

Ideal for general cleaning of delicate or treated floors.

Green

Ideal for removing dirt from more delicate floors - e.g Rubber or Linoleum.

Black

Ideal for heavy duty wet stripping and removing soiled finishes or sealers.

Microfibre

Ideal for light duty and maintenance cleaning tasks.

Melamine

Ideal for medium duty and maintenance cleaning tasks.

Drying Pad

Ideal for cleaning uneven surfaces.
